

CASE STUDY

We get the deal done.

Chemitec Healthcare Ltd. acquired Gal-Kal

HEALTHCARE

TRANSACTION ANNOUNCEMENT

Translink advised Gal-Kal on the sale to Chemitec

Gal-Kal is an Israeli manufacturer of assistive seating and mobility products for institutional and homecare use

Chemitec is a leading Israeli marketing and distribution company specialising in medical, rehabilitation, and homecare products

TRANSACTION HIGHLIGHTS

Head-On / Translink Corporate Finance Israel acted as the exclusive advisor to Gal-Kal on the sale to Chemitec Healthcare.

KEY TAKEAWAYS

- Head-On / Translink Israel accurately identified the strong strategic fit between Gal-Kal and Chemitec, recognising Gal-Kal's added value in supporting Chemitec's growth strategy in rehabilitation and accessibility.
- The acquisition brings together two complementary players, enhancing Chemitec's offering with Gal-Kal's clinically proven products and deep expertise in assistive mobility solutions.

DEALMAKERS

Hilit Ben-Zvi Koren

"The sale process was managed with the utmost professionalism, precision, and efficiency. Their guidance was hands-on, transparent, and demonstrated a deep understanding of the industry and its challenges. I am proud to say the entire process exceeded expectations – both in outcome and execution."

-Hagai Mann, CEO of Gal-Kal
