

# CASE STUDY

We get the deal done.

Renta acquired Tornby Byggmaskiner

BUSINESS SERVICES

## TRANSACTION ANNOUNCEMENT

**Translink CF** advised Tornby Byggmaskiner in the sale to Renta, a portfolio company of IK Partners

**Tornby Byggmaskiner** is a Swedish rental provider operating three depots across the Östergötland region

**Renta** is a Northern European full-service equipment rental company founded in 2015

### TRANSACTION HIGHLIGHTS:

Translink Corporate Finance has served as financial and strategic advisor to Tornby Byggmaskiner in the sale to Renta.

Through this acquisition, Renta reinforces its presence in Linköping and expands its depot network to Motala and Mjölby. Tornby Byggmaskiner, with its solid profitability and skilled staff, is a valuable addition to Renta's Swedish operations.

### KEY TAKEAWAYS

As part of Renta, Tornby Byggmaskiner will benefit from leveraging Renta's full product range and from implementing Renta's digital solutions. The strong local market position and experienced management team of Tornby Byggmaskiner creates a solid foundation for continued growth in the region.

### DEALMAKERS:

Translink Sweden: Fredrik Ullberg, Hannes Hedberg, Hanna Kölerud  
Translink Finland: Jari Lauriala

"It is exciting to become a part of Renta, which in many ways provides Tornby Byggmaskiner with strong opportunities to further develop the business. With Translink Corporate Finance as our advisor, the process has been smooth, and we have been able to evaluate different investor options thanks to their broad experience and network."

Elias Andreasson, Co-Owner, Tornby Byggmaskiner
