

# CASE STUDY

We get the deal done.

Sertion acquired Bryne Rør

BUSINESS SERVICES

## TRANSACTION ANNOUNCEMENT

Translink CF advised Sertion, a portfolio company of Consolid Equity, on the acquisition of Bryne Rør

Sertion is a Nordic group with ambitions of becoming a leader in complex HVAC, technical infrastructure, and industrial piping

Bryne Rør was founded in 1965 and has extensive experience in installation, project delivery, and service within HVAC and technical piping systems

### TRANSACTION HIGHLIGHTS:

Translink Corporate Finance has acted as financial adviser to Sertion, a portfolio company of Consolid Equity, in connection with the acquisition of Bryne Rør AS.

Bryne Rør has extensive experience in installation, project delivery and service within HVAC and technical piping systems. Since its inception, the company has built a strong business with a clear focus on quality, customer relationships and technical expertise.

### KEY TAKEAWAYS

Through the acquisition of Bryne Rør, Sertion continues its ambitious growth journey. Sertion is a Nordic group with the ambition of becoming a leading group within complex HVAC, technical infrastructure and industrial piping across the Nordics and Northern Europe.

### DEALMAKERS:

Translink Sweden: Fredrik Ullberg  
Translink Norway: Leif Larsen, Ove Ørjavik, Gjermund Furrå

***“The acquisition of Bryne Rør is fully in line with our long-term growth strategy. The company strengthens our organisation in Norway with competence and capacity and contributes to the continued development of our offering within HVAC and technical infrastructure.”***

Andreas Bogren, Group CEO, Sertion
