We get the deal done.

Sertion acquired Ofoten Rør AS

BUSINESS SERVICES

TRANSACTION ANNOUNCEMENT

Translink CF advised Sertion, a portfolio company of Consolid Equity, on the acquisition of Ofoten Rør

Sertion continues its growth journey to become a leading provider of complex HVAC solutions, technical infrastructure and industrial piping in the Nordics and Northern Europe

Ofoten Rør is a market-leading VVS contractor in the Narvik region with more than 40 years of history

TRANSACTION HIGHLIGHTS:

Translink Corporate Finance acted as the exclusive financial advisor to Sertion in its acquisition of Ofoten Rør AS.

Sertion is a Nordic group operating within complex HVAC solutions, technical infrastructure and industrial piping.

With more than 40 years of history, Ofoten Rør has established itself as a leading HVAC contractor in Narvik, Norway. The company has extensive expertise within HVAC and a broad customer base across both the private and professional sectors.

KEY TAKEAWAYS

Through the acquisition of Ofoten Rør, Sertion continues its growth journey, with the ambition of becoming a leading group in its business areas across the Nordics and Northern Europe.
