TRANSACTION ANNOUNCEMENT

Translink CF advised Stora Enso on its sale to Dunapack Packaging

This marks the second successful transaction in which Translink CF has advised **Stora Enso**, following the sale of the Selfly Store in January 2025

Gaster Wellpappe, Sausenheimer Wellpappe and PTI together form an integrated corrugated packaging business in Germany

TRANSACTION HIGHLIGHTS:

Translink Corporate Finance advised Stora Enso on the sale of German corrugated packaging plants to Dunapack Packaging.

Stora Enso is a leading provider of renewable products in packaging, biomaterials and wooden construction, and one of the largest private forest owners in the world.

KEY TAKEAWAYS

The transaction marked the second in which Translink CF has recently acted as adviser to Stora Enso, following the sale of Selfly Store in January 2025. The mandate was executed by Translink CF's teams in Sweden, Finland and Germany, underlining Translink CF's ability to deliver complex cross-border M&A transactions.

"The transaction marks a further important step in the growth strategy of Dunapack Packaging, aiming to increase its geographical footprint and will additionally foster our paper integration rate within the group."
